

9dBi 2.4GHz Omni-Directional Antenna...

Radiation Pattern...

Antenna Dimensions...

| Technical Specification... | |
|----------------------------|----------------------------|
| Model no. | 9DB-RP-SMA / TNC |
| Frequency | 2.4 - 2.5GHz |
| Gain | 9 dBi |
| Gain Tolerance | + / - 0.5dBi |
| VSWR | <= 1.8:1 max |
| Power Handling | 20W |
| Operation Temperature | -40degree ~ +80degree |
| Impedance | 50 Ω |
| Polarisation | Linear Vertical |
| Connector | RP SMA Male or RP TNC Male |

Suitable for 2.4GHz Systems including:

Always check connector type prior to ordering
